consists of initial and  
regular assessment of:

- Quality system
- Circularity data RMP

## Products for primary assets of Energy Installations – Validation of circularity data from Raw Material Passport (RMP)

---

### **CIRCULARITY DATA SPECIFICATION**

With this Covenant certificate the validity of the circularity aspects of the raw materials used in manufacturing of products by Waskönig+Walter Kabel-Werk GmbH u.Co.KG - used as a primary asset of the energy network operators united in Netbeheer Nederland - in terms of recycled content and recyclability data as specified in Raw Material Passports for the energy network operators in The Netherlands is demonstrated. The products are primary asset parts of energy distribution systems. For the overview of products and corresponding circularity data reference is made directly to the applicable Raw Material Passport(s) issued by Waskönig+Walter Kabel-Werk GmbH u.Co.KG and accepted by the applicable energy network operator(s).

### **COMPANY PROCESSES**

The company processes as implemented and performed by Waskönig+Walter Kabel-Werk GmbH u.Co.KG, including entry control of raw materials, the manufacturing of the products, storage and transport to the customers are set up in such a way that the values declared in the Raw Material Passport(s) with regard to "content of recycled material" and "recyclability" are substantiated.

### **MARKING**

The Kiwa Covenant logo (see below) may be used in connection with the raw materials passport in documentation, websites, leaflets, etc.

### **APPLICATION AND USE**

This Covenant certificate applies to the validation of circularity data of the products used as a primary asset of Netbeheer Nederland as specified above and is not applicable for determining the fitness of function of the products for the intended application.

### **RECOMMENDATIONS FOR CUSTOMERS**

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement and Raw Material Passport;
- if applicable, the mark and the marking method are correct in documentation, website, leaflets etc.

If you should reject a product on the basis of the above, please contact:

Waskönig+Walter Kabel-Werk GmbH u.Co.KG;

and, if necessary,

- Kiwa Nederland B.V.

Refer to the circularity data of the products concerned as included in the Raw Material Passports by Waskönig+Walter Kabel-Werk GmbH u.Co.KG as approved by the applicable energy network operator.
